Dear Mr. Mundt:

A request for proposal was sent to you on July 26, 1994. A chart of the plants providing information involved in the Vinyl Chloride Update Study is enclosed to help you in preparing your proposal to update the study. Also, in the scope of work for the study update, Texas inadvertently was omitted from Group C in the attachment entitled, "Status of ENSR Confidentiality Agreements with Individual States." If you have any questions, please contact me at (202) 887-1192.

Sincerely,

Hasmukh C. Shah, Ph.D.
