Caution: This email originated from outside EPA, please exercise additional caution when deciding whether to open attachments or click on provided links.

Good Afternoon,

Attached is a written request for a two-year exemption from the compliance obligations of the NSPS SOCMI-NESHAP HON rule.

For the reasons highlighted in the attachment, we believe it necessary and appropriate for the President to grant an exemption under Clean Air Act (CAA) Section 112(i)(4) for sources regulated by the final rule either on an individual basis or collectively.

Please contact me if you have any additional comments or questions.

Thank you,
Jarrett Poe
