

Dear [REDACTED],

Thank you for your kind invitation to speak at Workshop: PFAS remediation in action: sustainable solutions and acceptance conditions.

ECHA is not in a position to provide a speaker for this upcoming event. This is due to pressure on resources in the areas dealing with the universal PFAS Restriction. I do hope you appreciate our position and understand our decision.

Thank you for your understanding and I wish you a successful event.

Best regards,

[REDACTED]
