Status Report by Dr. Selikoff

On Thursday, May 7, Dr. Irving Selikoff and several of his colleagues from Mt. Sinai Hospital will visit the Research & Engineering Center to present a status report on the Mt. Sinai Research Program on "Biological Effects of Modified Inorganic Fibrous Microparticles".

The meeting will be held at 10:30 in the Training Room and should end at approximately 2:30. Would you please let me know by May 4 whether you will be able to attend this meeting.
