Subject: PFOA restriction and stakeholders meeting

Dear [REDACTED] Dear [REDACTED]

thank you again for the opportunity to attend the stakeholder meeting and to provide additional comments. Our comments are unfortunately a little delayed due to a fire incident at one of our production plants last week that needed immediate attention:

1) Concerning Textiles, we would like to comment as attached:

2) Concerning Non-implantable Medical Devices we have decided not to submit our position separately from MedTech Europe.

We remain however at your full disposal should you require additional technical details or any further information related to those mentioned products.

Best regards

[REDACTED]
