Mr. D. G. Fowler
Fowler Davies & Co.
71, Mayflower Way
Farnham Common, Bucks
England

Dear Don:

I am glad to have received your card with Davies announcing your new association. I could not resist the impulse to respond with a greeting and good wishes, and this I do, heartily.

I believe Jerry Cole is doing a good job in your stead with Lead Industries Association, but I miss seeing you from time to time as I had done for so many years.

It is likely that I shall be in London in October, and unless I am forced by circumstances to make a quick trip, I shall get in touch with you.

With kindest regards,

Sincerely,

Robert A. Kehoe, M.D.
