Mr. Warren P. Holden,
San Francisco, Cal

My dear Warren:-

Referring to your favor of Aug. 11th in which you mentioned Williams #1212 Light Special Oxide, beg to state that Mr. Chas. Timmins of Leech, Neal & Co. has just called on me and says he expects to go to the Pacific Coast some time this Fall. No doubt he will endeavor to get you to place another order with him for the B B Venetian Red. He says a sailing vessel is now loading for San Francisco at Ipswich and the order they now have in hand will be forwarded on same.

Very truly yours,

C. B. Woodruff
