Attention: Doctor Kehoe

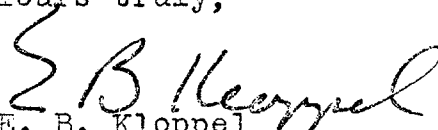

Gentlemen:

Orange State Oil Co.
368 N.E. 58th Terrace
Miami, Florida

It is my understanding that you have taken for analysis a sample of sludge from the storage tank owned by the Orange State Oil Company and involved in the fatal case which you have investigated.

I would like to know if you will give me the results of your analysis of this sample which I would greatly appreciate.

Yours truly,

E. B. Kloppel
Industrial Supervisor
