

§ 25910

MISCELLANEOUS PROVISIONS Div. 2

142.3 or 6300 of the Labor Code, or of the rules and regulations adopted pursuant thereto.

(Added by Stats.1974, c. 1432, 3135, § 1. Amended by Stats.1976, c. 449, p. 1184, § 1, eff. July 7, 1976; Stats.1978, c. 303, p. 629, § 1, eff. June 28, 1978; Stats.1978, c. 1001, p. 3075, § 1, operative July 1, 1979.)

Historical and Statutory Notes

As added in 1974, the section read:

"No person, on or after July 1, 1975, shall cause or permit the spraying of any substance containing more than one-half of 1 percent asbestos in or upon a building or other structure during its construction, alteration, or repair. No person, on or after July 1, 1976, shall cause or permit the spraying of any substance containing any amount of asbestos in or upon a building or other structure during its construction, alteration, or repair.

"Cold process cutback asphalt roof coatings shall be exempted from the provisions of this chapter."

The 1976 amendment rewrote the section to read:

(a) Except as provided in subdivision (b), no person, on or after July 1, 1975, shall cause or permit the spraying of any substance containing more than one-half of 1 percent asbestos in or upon a building or other structure during its construction, alteration, or repair. Except as provided in subdivision (b), no person, on or after July 1, 1976, shall cause or permit spraying of any substance containing any amount of asbestos in or upon a building or other structure during its construction, alteration, or repair.

"(b) Portland cement plaster containing less than one-half of 1 percent asbestos, and exterior and interior coatings and laminating resins containing encapsulated asbestos fibers, when within the finished product from manufacturing through application, shall be exempt from the provisions of this chapter until July 1, 1979.

Cold process cutback asphalt roof coatings shall be exempt from the provisions of this chapter.

The 1978 amendment, by c. 303, rewrote subd. (a) to read:

"Except as provided subdivisions (b), (c), and (d), no person shall cause or permit the spraying of any substance containing any amount of asbestos in or upon a building or other structure during its construction, alteration, or repair." rewrote subd. (b) to read:

"(b)(1) Portland cement plaster containing less than one-half of 1 percent asbestos shall be exempt from the provisions of this chapter until July 1, 1979." added pars. (2) and (3) to subd. (b) (now pars. (2) and (3) of subd. (c)); and added subds. (c), (d), and (e) (now subds. (d), (e), and (f)).

The 1978 amendment by c. 1001 amending c. 303, substituted in the exception at the beginning of subd. (a) subdivisions (c), (d), or (e) for subdivisions (b), (c), and (d); inserted new subd. (b); and renumbered former subds. (c) to (e) to be subds. (c) to (f).

Section 1 of Stats.1978, c. 1001, provided:

"The provisions of Sections 1 and 2 of this act shall become operative on July 1, 1979."
