We trimmed down the Administrator's bio. Can we use the version below on our website? Thank you!

On February 17, 2017, the United States Senate confirmed Scott Pruitt as the 14th Administrator of the U.S. Environmental Protection Agency. As Administrator, Mr. Pruitt's overarching goal is to lead EPA in a way that our future generations inherit a better and healthier environment as he works with the thousands of dedicated public servants at EPA who have devoted their careers to helping realize this shared vision, while faithfully administering environmental laws. Most recently, Pruitt served as the Attorney General for Oklahoma. Pruitt became a national leader through a career of advocating to keep power in the hands of hard-working Americans. As Attorney General for Oklahoma, he led the state's legal challenges against property rights intrusion, while protecting Oklahoma's natural resources and environment. He is recognized as a national leader in the cause to restore the proper balance between the states and federal government, and he established Oklahoma's first federalism unit to combat unwarranted regulation and overreach by the federal government. Before being elected attorney general, he served eight years in the Oklahoma State Senate where he was a leading voice for fiscal responsibility. In addition to his life as a civil servant, Pruitt is a successful entrepreneur. As a co-owner and managing general partner of Oklahoma City's Triple-A minor league baseball affiliate, the Oklahoma City Redhawks, Mr. Pruitt took over the team's marketing operations and helped the team become one of the minor league leaders in attendance and merchandise sales. Pruitt is, first and foremost, a family man. He and Marlyn, his wife of 27 years, proudly raised their daughter, McKenna, and son, Cade, in Tulsa.

On Friday, you said the Administrator would like to meet with Kevin before their conversation. Kevin is very much interested in meeting with the Administrator and any of his staff. He asked for your email address so he can correspond with you about questions he drafts up. Can I please pass along along your email to him?

Thanks!
