Floor Paint

Springtime
 is "clean-up" time

While you are doing your spring cleaning, consider the need of repainting your floors. A painted floor is a clean floor—or, at least is easily cleaned. No cracks; no germ-catching worn spots; no unsightly blemishes.

B-H Floor Paint is made in California for Pacific Coast conditions and climate. Spreads easily—a quick dryer—forms a hard, yet elastic coating which lasts and wears twice as long as the average paint.

There is a B-H product for every use. Call today and let us prove it to you!
