Ken – I can work to your schedule, and I think we only need about 15 minutes. Just want to run some ideas by you on next steps. If you let me know a time and best number, I'll call you.

Ken
I will be in town the week of 11/13 – do you think you'd be able to arrange a follow-up meeting with key senior staff? I'd like to have a brief discussion with you on this if you have some time today or tomorrow. I'm pretty booked but can work to your schedule. Thanks for all your help on this.
Rich
