

1 with the ACGIH and its history?

2 A As part of that, yes. I have been a member
3 of that organization since early 1970s.

4 Q And you are still a member?

5 A Yes.

6 Q Have you ever lectured concerning asbestos
7 and asbestos disease?

8 A Yes. I still do.

9 Q And has that been both nationally and
10 internationally?

11 A Yes.

12 Q Are you the editor of any book chapters, or
13 have you published any book chapters concerning
14 asbestos and disease?

15 A Yes, I have.

16 Q And how many such chapters do you have to
17 your credit, Dr. Dement?

18 A Oh, three or four book chapters that deal
19 with asbestos or asbestos-related diseases or
20 industrial hygiene, which has some part of that.

21 Q Have you ever been appointed or asked by a
