(NMU002019)

Dear Dr. Graziano:

Enclosed is an Administrative Order (Order) issued by the United States Environmental Protection Agency, Region 6 (EPA) concerning the National Effluent Limitation Guidelines for the Dental Office Point Source Category at 40 CFR § 441 which was promulgated July 14, 2017. The Order requires Dr. Bryan Graziano (Respondent) to comply with the provisions set forth in the attached Order. The EPA requests that Respondent immediately confirm receipt of this email and attached Order by a response email to Mike Tillman, tillman.michael@epa.gov.

This Order is being issued to Respondent for violations of the Clean Water Act (CWA) 33 U.S.C. §§ 1251-1387. The EPA finds that Respondent has not submitted a One-Time Compliance Report (OTCR) as required by 40 CFR § 441.50(a)(1).

The Order does not assess a monetary penalty; however, it does require compliance with applicable federal regulations. The first compliance deadline is within thirty (30) days of receipt of this Order. EPA is committed to ensuring compliance with the requirements of the national effluent limitation guidelines program, and my staff will assist you in any way possible. Please reference the Administrative Order Docket Number CWA-06-2021-1822 in your response.

The EPA acknowledges that the COVID-19 pandemic may impact your operations. If this is the case, please contact us regarding any specific issues you need to discuss.
