Subject: SHS... follow-up to payment inquiry

Dear Brian –

Russ White is currently on business travel, so he asked me to review and reply to your e-mail inquiring about the status of API contracting and travel payment for Dr. John Cherrie...

API travel reimbursement / consulting payment for Dr. Cherrie – API received an invoice from IOM (the Institute of Occupational Medicine) on October 17th for John Cherrie's consulting time & travel expenses from the Houston meeting. API made a wire transfer payment to IOM on November 3rd;

API contracts for "Exposure Assessment" support – API also sent duplicate original signed contracts to both IOM (for Dr. Cherrie) and Dr. Herrick on November 3rd, and we await their return of a countersigned copy.

Please let me know if you need any additional information.

Best Regards - Bruce.

Subject: Fw: SRP costs

Russ,

I recall you saying during the wrap-up of our last conference call that these contracts were awaiting the signatures of the SRP members -- the attached indicates otherwise. Can you sort these contracts out quickly and

get these guys reimbursed for their out-of-pocket expenses?

Regards,

Brian

SRP costs

Bruce -- looks like we're not able to use John Cherrie of the SRP any longer until his costs are reimbursed. Could you up the priority on this?

Thanks, Rob

Rob

I'm in a difficult position as API haven't paid the costs for me attending the meeting in Texas and have not issued a contract (or offered to cover the costs associated with visiting you). I cannot do any further work until these issues are resolved. I hope you understand.

Regards.

John
