Dear Dr. Spiegelman:

I've read with interest your paper "A Univariate Extension of Jensen's Inequality" which appeared in NBS Journal of Research. I would appreciate receiving a reprint of this paper as well as a copy of "Sensitivity of Observed Blood Lead to Measurement Errors" by Billick, Shier, and Spiegelman which was referenced in your article.

Your help in obtaining this information is appreciated. I look forward to hearing from you.

Very truly yours,
