Subject: Follow up on voicemail and invitation to speak at fall meeting

Sarah –

I am writing to follow up on my voicemail and invite you to speak at the fall meeting of the Cross-Cutting Issues Group. The Cross-Cutting Issues Group is a group of approximately 11 electric generating companies located throughout the country that tracks and participates in rulemaking issues related to waste, water, and wildlife issues affecting the industry.

Our meetings are informal (think round table discussions), and primarily consist of educational presentations by Baker Botts attorneys. We enjoy hosting a guest speaker to talk on current events of interest to the electric generating industry. We would love for you to speak to the

Group on recent activities related to water issues, your priorities for 2018, or any other topic you think would be of interest.

The meeting will be held on November 1, 2017 at our offices at 1299 Pennsylvania Ave, NW from 12:30 pm to 5:30 pm eastern. We would be happy to accommodate any time that works for your schedule.

Please do not hesitate to contact me if you would like additional information regarding our Group or our meetings. We very much appreciate your consideration of our invitation.

I look forward to hearing from you.

Megan
