Tate, thanks so much for the quick response. Is it possible to do 3 p.m. Monday. We are at USDA until 2:30 and that would give us a little extra time to get to your offices. Yes, we would welcome an opportunity to meet with any staff who are available. We may also bring a staff member from the National Association of State Departments of Agriculture if that is okay.

Thanks again,

Hey Tom!

We'd love to get something on the books.

Can you all do 2:30 on Monday?

Latonia, can you help with a room/calendar invite once they confirm since Preston is out? Rick Keigwin can be included as well.

Tate

Hi Tate,

We spoke on the Small Community Advisory Subcommittee conference call last week regarding the WOTUS rule review. I know this is short notice, but our senior staff will be in DC next week (Monday and Tuesday, July 10-11) for some agency and congressional office visits. I was wondering if you would have any availability Monday morning before 11 a.m. or after 2:30 p.m. for a brief courtesy meeting with myself and our chief administrative officer Larry Maxwell? We wouldn't take much of your time but would welcome an opportunity to introduce ourselves and to share a little about our agency's interaction with EPA on WOTUS and nonpoint pollution programs.

If you're unavailable, we would also welcome an opportunity to meet with another staff member. Thanks, and I look forward to hearing back from you.

Sincerely,

TOM WOMACK | Deputy Commissioner
