The Taylor Memorial Methodist church recently organized in Oakland have, through the recently adjourned annual conference held in Grass Valley, secured the church located at Twelfth and Magnolia streets, Oakland. Rev. Scott, their pastor, sent invitations for a reception and inspection of the building for Thursday evening. There have been few affairs held by negro people in Oakland in which a more hearty response was received. The reception was attended by a very large number of both white and negro people. The ministry was represented by Bishop Leonadrd, who gave a most interesting talk on the object of organizing this church. He said he had spent a long period in corresponding and in conferences with bishops throughout the United States in search of a negro pastor who would fill his desires and carry out his program for the negro people of Oakland. After years he found the person in Rev. A. L. Scott, a graduate of the School of Theology of the Boston University.

Dr. Guithrie, general secretary of the Epworth League of the World, displayed his wonderful collections of beads given by the Epworth Leagues through the world as a token of good will and friendship to other leagues in other countries. His remarks were most interesting. His colection of beads was unique in that they covered his entire chest and reached almost to the floor. The Taylor Memorial Church Epworth League added a strand of beads to his collection. They were presented by Mrs. Scott, the pastor's wife. She made appropriate remarks in presenting them.

The general conference of the German Methodist church now convening with the German church located at Thirty-eighth and Telegraph, Oakland, adjourned and went in a body to the r ception. The pastor of this church, Rev. Vassl, made a short address of good will. Remarks were made by Dr. J. M. Brown of San Francisco, former pastor of Fifteenth A. M. E. church Oakland, and Rev. Pryor, the present pastor of this church. They were followed by Dr. Milnes, district superintendent for M. E. church, Northern California and Dr. Wesley Mell, secretary to the bible and missionary department of the M. E. church, and others. Solos were rendered by negro musicians.

The membership committee of the Linden Street Branch Y. W. C. A. held a musical and silver tea Thursday afternoon, at which they welcomed their new secretary, Miss Ruth Moore from Pittsburgh, Pa., Y. W. C. A. branch. Miss Moore, however, is a native daughter from Pasadena.

Gather Fair Exhibit

MARTINEZ, Sept. 22.—After he had offered his services E. B. Anderson of Walnut Creek was instructed by the board of supervisors this week to start collection of exhibits in his district for the state fair of next year. Anderson urged upon the board that someone be designated to secure exhibits of walnuts and other county products, which, he asserted, should be secured now while the crop is ready for harvest. Anderson also urged that residents of other sections of the county co-operate with the fair exhibit director so that a more comprehensive county exhibit can be secured next year.
