them on the market, you agree with that, don't you?

A It would be reasonable to do, yes.

Q Doctor, I want to ask you --

MR. IGNATOWSKI: If I may approach the board.

THE COURT: Please.

A The number of articles that you talked about, let's go back to 1930, and around 1930, 1933, that is when Merewether's article came out, didn't it?

Q 1930, it was published, yes.

A In 1930.

Q Now, we are here in 1996.

We all know and there is no dispute, is there, that asbestos is the only thing that causes asbestosis?

A That is correct.

Q Do you think we knew that in 1930, from your review of the medical literature?

You would agree with me, wouldn't you?

A I think after Merewether it was known if you
