Subject: Journalist for Science magazine seeking information

Hello,

I'm a correspondent with Science magazine.

I was just listening to the press conference with Administrator Pruitt about the new rules governing scientists serving on advisory panels.

I'm trying to get a list of which current members of the SAB, BOSC and CASAC will no longer be able to serve on those committees because they are currently receiving EPA grants.

Can you please help me get a copy of that list? You can reach me on my cell phone at [Ex. 6] I am on a deadline today.

Thanks for your help

Best,

Warren
