Hi Kristin,

On behalf of the National Endangered Species Act Reform Coalition (NESARC), attached please find a letter congratulating Secretary Burgum on his recent confirmation as Secretary of the Interior, as well as documents detailing NESARC's membership and recommendations for regulatory action related to the Endangered Species Act (ESA). Please forward to others at the Department, as appropriate.

NESARC would be pleased to meet with the Secretary or someone on his staff in the near future to discuss ESA regulatory matters. Please let me know the appropriate person to contact with this request.

Our members welcome the opportunity to support the Department's efforts to improve implementation of the ESA. Please feel free to contact me if we can be of assistance.

Best,
Jordan Smith
