Attention: Mr. Dan Strang,
Mason Superintendent

Subject: Proposed Suspension of
No. 4 Open Hearth Furnace

Gentlemen:

We are enclosing revised prints of our proposal drawings D-3640-PA-5, PB-5 and PD-5 revised to show changes in the fantail area so that the fantail nosing is identical to No. 3 Furnace and have changed the length and slope of the fantail arch to agree with your drawings.

Please destroy the prints now in your possession, using the enclosed prints to complete your file.

Very truly yours,

GEO. P. REINTJES CO., INC.
