Re: Herman A. Dendinger, et al. v. Chrysler Plastic
Products Corp., et al.
U.S. District Court Case No. C 84-7854

Gentlemen:

Martha Friar of Union Carbide Corporation has instructed me that Union Carbide has joined the defense group in this case, for which Fuller & Henry is acting as the attorneys.

As I told Mr. Coppel in our conversation on the morning of May 24, you should be aware that Union Carbide Corporation's Answer to the Complaint is due on May 28, 1985.

Although I am confident that Paul has already relayed this information to the persons responsible for preparing the answer, I prefer, as I am sure you do, that every precaution be taken to protect Union Carbide's interests.

Very truly yours,

Mitchel B. Axler
