DOCUMENT DESCRIPTION: Govt Inspection Reports

Memorandum on Visit to Powhatan Mining Corporation

By F.P.J and W.F.R.

7770
Feb.

Jan. 8, 1945

The plant at this time had according to Mr. Mett not been in operation for the past several months with exception of intermittent operation of several days at a time. He stated that in the spring more continuous operation would be resumed. He further stated that he had all of the priorities necessary for the equipment and that installation would be begun as the material came in.

No change in dust conditions had been made up to this time.
