SUBJECT: Emerging Contaminants Governance Council (ECGC) Meeting Results

This memorandum provides a summary of actions endorsed at the eighth meeting of the ECGC held on December 16, 2015. The ECGC endorsed recommendations to:

- Elevate a brominated flame retardant to the EC Action List.
- Take risk management actions regarding fire-fighting foams.
- Continue to use MIL-STD 882 for hazardous materials tracking while coordinating with industry efforts to develop a full materials declaration standard.

A more detailed summary of the recommendations is attached and incorporates revisions made by the ECGC. Addressees are requested to take appropriate actions to implement the ECGC recommendations. My point of contact is Mr. Paul Yaroschak, at 571-372-6810 or Paul.J.Yaroschak.civ@mail.mil.
