The Director,
Australian Blue Asbestos Ltd.,
PERTH. W.A.

Dear Sir,

GOVERNMENT MATTERS P.26. We are pleased to arrange a letter of introduction to Mr. Fisher of Johns-Manville for Messrs. Kelly and Telfer of the Western Australian Mines Department. Would you please make it very clear to Messrs. L.F. Kelly and A.H. Telfer that we do not wish them to interfere in any way with our asbestos business with Johns-Manville. We believe there is no way in which they could help us and they may cause some doubts on Johns-Manville's part if they raise the matter of our asbestos sales with Johns-Manville.

The address of the Company's American representative R.W. Cameron & Co. is 120 Wall Street, New York 5.

We think it most suitable simply to give Messrs. Kelly and Telfer a copy of the letter forwarded to Mr. Fisher by Dr. Harman and 10 copies of these will be forwarded shortly.

It is important that they should advise Mr. Fisher well ahead, of the exact date when they will be in New York.

ENCLOSURES. Copy of A.B.A.(w) Letter No. 387.

Yours faithfully,

Managing Director.
