Subject: Thank You

Dave and John:

I know we unloaded a considerable amount of information on you and want to thank you for meeting with us yesterday. If you have any questions about any of our concepts please feel free to contact us--we are happy to come over or have a call at your convenience. Also, as you can see, we have thought long and hard about this problem, so if there are any issues that you are struggling with, we are happy to tap NAHB's resources and help you work through them.

It was good seeing you both, have a great weekend.

V/R
