Dear Elmer:

Enclosed is a draft copy of the essential points of the paper I plan to present at the SOT Meetings next week in Washington, D. C. While I will elaborate on certain points during the presentation and include some brief discussion of protocols, the results to be presented are those in this copy.

If you have comments or want anything omitted, please call me at the Shoreham Hotel. The presentation is scheduled for Wednesday morning, March 10.

Sincerely yours,

M. L. Keplinger, Ph. D.
Manager, Toxicology
