Subject: Point of Obligation Meeting

Hi Samantha,

I hope you had a great weekend. Wanted to reach out and see if you were free later this week for a brief meeting with Will and the rest of the API fuels team re: Point of Obligation. I know last week you said there were some numbers that were unclear, so they wanted to come in and show you exactly what we mean. Do you have any time?

Also, I know the Administrator's Advance Team is working with Khary on Wednesday night, but if you think of anything else that you'd like prepared for him, please let me know! I hope to see you there!

Thanks,

Hilary
