Hello Attorney General Landry,

I'm happy to let you know that the Administrator will be available to address this group. He appreciates the invitation and opportunity. Who should I communicate with regarding details and logistics? Specifically, exact timing and agenda for the event so we can build into his schedule?

Thank you and we look forward to it!

Subject: Louisiana Chemical Association Annual Meeting Sam

Just following up on a conversation we had a month or so ago. The Louisiana Chemical Association is having their annual meeting Oct 26&27 in NOLA at the Loew's hotel.

This is a meeting of the Managers that are responsible for operation the chemical facilities in Louisiana. They would like Scott to address the group either day.
Can you let me know if he is still available?
