Yes,

We are located on the 3rd floor of the William Jefferson Clinton North Building. The William Jefferson Clinton North Building is part of the EPA Headquarters complex located on 12th Street, NW between Constitution and Pennsylvania Avenues. The entrance to the building is located directly above the Federal Triangle Metro Station (on the Blue, Orange and Silver lines - if you are taking the metro).

Upon entering the building, you will be asked to provide a photo ID* and to pass through the metal detector for security purposes. If you have any questions, please give Aaron Dickerson a call at 202/564-1783. I will be out of the office Monday.

Thank you.

Sounds like a plan, thanks Sharnett. See y'all at 2:30p on Monday. Should I come to the EPA?

Hi Ryan,

I'm free all day on Monday the 13th, but I can make Tuesday work, too. The hearing is Tuesday morning and I should be available in the afternoon until about 4pm. I can easily change my flight if Wednesday works better.

Thanks,

Erin

Erin, just to follow up on our conversation from the past week, when do you plan to be in DC next week and can we set up a convenient time to meet?
