We don't have a deck, but Matt will be sending you an email with helpful materials very shortly. Glad to help with anything else you all might need.

Lou—

Find attached digital copies of the items shared today. Additionally, I will follow up with additional EPCA-related materials from our team by COB tomorrow.

Please find attached:

1. AGA letter to the DOE transition team
2. AGA's impacts analysis of Section 433
3. The Federal Register notice for the final rule
4. Our meeting request letter for Secretary Wright

I believe you have digital copies of the other items but if anything is missing, please let me know.

Thank you!
