THE GARLOCK PACKING COMPANY - PALMYRA, NEW YORK

AGREEMENT

Made this 11th day of December 1958 by and between State & Whelan Distributing Corp. and Garlock Packing Company, hereinafter called "buyer" and The Garlock Packing Company, a

New York corporation, hereinafter called "GARLOCK".

WITNESSETH:

1. TERM - This agreement shall be effective during the period beginning January 1 1959, and ending December 31 1959.
2. PRICES - GARLOCK agrees to sell to buyer, and buyer agrees to purchase from GARLOCK materials or supplies, in standard sizes and packages of the general kind described as:
MECHANICAL PACKINGS AND ALLIED PRODUCTS
in such amounts as may be ordered during the term hereof by buyer for its use and for the use of any subsidiary or affiliated corporation, at the prices stated in the list attached hereto, which prices are subject to revision as hereinafter provided. These prices and terms and conditions of sale are offered by GARLOCK for orders accepted by GARLOCK with the understanding that during the term of this agreement the buyer shall place with GARLOCK orders for merchandise of the general kind above described and marketed by GARLOCK. It is agreed however that buyer shall be given the benefit of any general reduction in GARLOCK'S prices and that the prices stated in the list attached hereto shall be subject to increase if any general increase shall be made by GARLOCK during the term of this agreement, provided buyer is given at least 30 days prior written notice of such increase.
3. PAYMENT - Terms of payment shall be net 30 days.
4. DELIVERY - Deliveries shall be made F.O.B. point of shipment.
5. SHIPMENT - All merchandise ordered shall be delivered with reasonable promptness unless prevented by circumstances, of every nature and description and however arising, beyond GARLOCK'S reasonable control. GARLOCK shall not, however, be liable in damages or otherwise for delay or failure in performance when caused by circumstances, of every nature and description and however arising, beyond GARLOCK'S reasonable control. In the event that GARLOCK is unable due to any such occurrence or otherwise to fulfill its total commitments to all customers, buyer agrees to accept, on full and complete performance by GARLOCK, deliveries in accordance with such plan of operation as GARLOCK may adopt.
6. WARRANTY - All merchandise ordered shall be sold subject to GARLOCK'S standard warranty, viz: The Garlock Packing Company guarantees that any product of its manufacture, which upon examination is found by a Garlock representative to be defective either in workmanship or material whereby it is not suitable under proper usage and service for the purpose for which designed, will be replaced free of charge including transportation charges but not cost of installation. This shall be Garlock's maximum liability. The sale of Garlock products under any other warranty or guarantee, expressed or implied, is not authorized by Garlock.
7. TAXES - It is agreed that to the prices shown in the list hereto attached there shall be added by GARLOCK and paid by the buyer, except where satisfactory proof of exemption is furnished by the buyer to GARLOCK, all sales and/or excise taxes, by whatever name such tax may be known, imposed upon such sales, by the laws, rules or regulations of any federal, state or other governmental body or agency having jurisdiction, in effect on the date of this agreement, or which may become effective during the term hereof, except and unless such method of collecting such tax or taxes shall be unlawful.
8. CREDIT - If at any time buyer shall have failed to pay any invoice when due, or if GARLOCK shall, at any time, have any doubt of buyer's financial responsibility, GARLOCK may suspend further deliveries hereunder until the buyer shall have paid all invoices due, and shall have paid in advance for such further deliveries if so required by GARLOCK.
9. GENERAL - Neither party shall make any claim for special or consequential damages.

This agreement is duly executed by the parties hereto in duplicate the day and year hereinbefore written.

CHANGE IN GARLOCK STYLE NUMBERS

Effective January 1, 1958 many Garlock style numbers are being eliminated, as is shown in the comparative table below. The style number that is being retained identifies the same Garlock product you have been buying and the new form designation after the number is a substitute for the style number previously used.

For purposes of simplification and improved data processing, we expect this new program will be mutually beneficial.
