Dear Bob:

Herewith a confirmation of our invitation to you to attend our Annual Luncheon of the Lead Industries Association to be held at the Drake Hotel Chicago on Wednesday April 28 in the French Room at 12:15 p.m. At that time it will be our pleasure to make a small gesture in recognition of our esteem for you and your work. I am most happy to be able to extend this invitation to you.

Since you will be in Chicago I should also like to invite you, on behalf of Dr. Radtke of the International Lead Zinc Research Organization, to attend the annual sessions of our combined research committees which will be held at the Drake Hotel starting at 10:00 a.m. on Tuesday April 27. Don Diggs of DuPont will be talking to this session on the general subject of air pollution as it affects the lead industry. If you can fit this into your schedule, we should be most pleased to have you present.

With best regards.

Very truly yours,

Don G. Fowler
