Dear Millan,

I am in receipt of your thank you note. I am the one that owed you a thank you. You and your team did an outstanding job and we are incredibly thankful that the Administrator was gracious enough to make time to come to our convention. It was a tremendous honor for all of our team to meet and listen to his insights and vision for the future of the EPA and many important topics for BG Products.

I am doubtful that my email would reach the Administrator if I addressed him, however, would you please let him know our of appreciation and thanks.

We look forward to seeing him more and more in the future!

God Bless and thank you again,

Darin Greseth
