Or

Any time between 9:45am – 11:30am

Hayly –

Thanks again for your help on this.

President Duvall is very gratified that Administrator Wheeler can join our presidents. Would you have some time available when we can talk about this? I'm starting to pencil in a rough agenda and would like to coordinate with you.

Thanks,

Paul

Hi Paul,

Apologies for the delay here. The Administrator would be happy to address the group. Right now, I think either the 9th or 10th would be possible. As the schedule solidifies, do you mind to let us know which date you would prefer?

Thanks!

Haylys –

I recently spoke with Tate Bennett and spoke with her about inviting Administrator to address the leadership of American Farm Bureau. Tate suggested I send the letter of invitation to you; the invitation is attached, and I have copied Tate as well.

This July, all 50 state farm bureau presidents will be in Washington, D.C. for the Council of Presidents. We would love it if Administrator Wheeler could come meet with the group and talk about issues of mutual interest. The meeting takes place on July 9 and 10 and we are flexible as to day and timing in order to accommodate the Administrator's schedule.

If you have any questions, please feel free to let me know. I hope Mr. Wheeler will be able to join us at this meeting.

Cordially,

Paul
