To: Members of the Plant Manager's Safety Board

Those Present: G. A. Danner, C. M. McCullough, G. T. Ryan, H. S. Hamby, J. G. Trafton, C. A. Peters, G. W. Daves, W. H. Lane, W. C. Fuller, N. L. Marsh, R. F. Arnold (for E. H. Jones), and C. L. Gilmore.

Item 1. Safety Program Revision

The Plant Manager's Safety Board approved the Bulletin P-0100 with minor corrections. The election procedure for unit/craft safety representatives was approved with the suggestion that the janitors should be placed in Group III rather than IV (this to be checked with E. H. Jones). The members of SHAC have been selected and are as follows: R. Rosenberg, Chairman, L. Schwab, J. Bolton, R. L. Maute, J. Rasmussen, and C. L. Gilmore. The announcement will be carried in the Plant News. The logo signs and the revisions to the present safety signboard are being designed and hopefully will be installed within a month.

Item 2. Company Inspection of 10/74

The follow up on the general items of that inspection will be assigned to SHAC.

Meeting adjourned at 1100.
