Mr. Fred W. Schmidt, Manager
Accident Prevention Department - Maryland Casualty Co.
Baltimore, Maryland 21203

Subject: File 11910

Dear Mr. Schmidt:

This will acknowledge your letter of December 11, 1964, regarding our contacting Dr. Woodrow Nelson of Libby, Montana, to secure x-ray plates or radiological reports for Dr. Chenoweth. I am sorry there has been a delay in securing the material desired. In my letter of October 30, 1964, to Dr. Robert F. Chenoweth, M.D., I suggested that he contact Dr. Nelson directly for the data he required. Until I heard from Dr. Nelson on November 20, 1964, which prompted my letter of December 11, 1964, I did not know what action was being taken by the Maryland Casualty Company.

This matter has now been handled. Mr. J. A. Kelley, General Manager, called Dr. Chenoweth from Libby, Montana, to learn exactly which records were desired. Mr. Kelley then met with Dr. Woodrow Nelson in Libby and arranged for the forwarding of the desired records. Mr. E. Lovick, ~~Administrative Manager, the Libby operation, they are handling the packing and shipping of the records.~~
