SUBJECT AUTOMATIC MONITORING SYSTEM
ASSONET CAR - 172-805-140 A. T. D'Ambra
R. J. DeLargey
E. D. Macias

I have been informed by S. Cupach that he has approved the subject CAR and that he received verbal approval from R. J. DeLargey to proceed with the design and purchase of the necessary equipment for the automatic VC monitoring system. Please proceed as quickly as possible so that your system may be installed and operational at the Assonet Plant.
