TiO₂ PRODUCT DATA SHEETS
CIRCULATION FOR APPROVAL STATUS-9/21/79

As requested at the literature review meeting held on Sept. 27th, summarized below is the current status of TiO₂ Product Data Sheets approval routings which started on August 13th:

R-100, R-101, R-211, R-221, R-900, R-901, R-902,
R-931, R-933, R-960, R-994, R-940, R-941, R-942,
RPS, LW and LWS

were reviewed by Mc Ginnis, yourself, and Watts and passed to Muendel on Sept. 11 and 12th.

R-920, R-943, R-946 and R-948 have not been released by Mc Ginnis for further circulation.

The above information is based on feed back from our "buck slip" system on these pieces of literature.
