Re: Notice of Warning for Late/Non-Reported Pesticide Production Reports
EPA Docket No. FIFRA-06-2025-0349

Dear Ms. Russell:

This letter constitutes a warning pursuant to Section 9(c)(3) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), 7 U.S.C. § 136g(c)(3). The U.S. Environmental Protection Agency (EPA) is hereby alleging that Chameleon Industries, Inc. is in violation of Section 12(a)(2)(L) of FIFRA, 7 U.S.C. § 136j(a)(2)(L), for failure to file pesticide production reports (EPA Form 3540-16) for EPA-registered establishments as required by Section 7(c) of FIFRA, 7 U.S.C. § 136e(c).

Specifically, EPA records indicate that annual reports were not filed for the establishments by their March 1 due dates.

EPA Est. No.	Report Year	Postmarked Date	Status
98621-TX-1	2023	n/a	Non-reported
98621-TX-2	2023	n/a	Non-reported

You are hereby advised to submit pesticide production reports, including all identified as non-reported, pursuant to the regulations promulgated at 40 C.F.R. § 167.85(d) which states that a producer operating an establishment must submit an initial report no later than 30 days after the first registration of each establishment the producer operates. Thereafter, the producer must submit an annual report on or before March 1 of each year, even if the producer has produced no pesticidal product for that reporting year.

Reports can be submitted electronically through EPA's Central Data Exchange (CDX) website. Please see the following link for additional information about electronic reporting for pesticide establishments: <https://www.epa.gov/compliance/electronic-reporting-pesticide-establishments>. Alternatively, a hard copy version of the form (for submission via conventional

mail) is available at the following link: <https://www.epa.gov/compliance/epa-form-3540-16-pesticide-report-pesticide-producing-and-device-producing>.

EPA has determined this Notice of Warning is an appropriate enforcement response for the apparent violations of FIFRA. Subsequent violations of Section 7(c) of FIFRA, 7 U.S.C. § 136e(c), may subject you to an administrative civil penalty of up to \$24,885¹ per violation and/or termination of your registration as a pesticide producing establishment.
