

## Interoffice Communication

To : Distribution

From : M. P. Blackwell

Date : April 29, 1982

Subject: VINYL OPERATING MANUAL - CONTROL PANEL SWITCHES, INDICATORS, &  
ALARMS

Attached is a revised copy of the old unit operating manual control panel switches, indicators, and alarms section.

This section must be reviewed and returned to me by Monday, May 3, 1982, so that revisions can be made and it can be issued Tuesday, May 4, 1982. Training on this section will begin Wednesday, May 5, 1982.

Mickey Blackwell  
Vinyl Operations Engineer
