Star et al.,

Appreciate your patience as we worked through this today and pleased to share that after coordinating with the Southern Company team and our closing plenary panelists we are confirmed to swap this fireside chat to the closing plenary on Tuesday, August 12. We're excited to still be able to give our attendees the opportunity to hear directly from the Deputy Secretary.

The closing plenary will start at 11:30am PT until Arshad closes the entire event at noon. Once we've received your confirmation, I'll go ahead and finalize our agenda and discussion guides which I'll send along with all the final logistics. Of course, let me know if you have any questions.

Best,  
Morgan

It was a pleasure connecting with you and the team today. While it's unfortunate that this scheduling conflict has arisen, we recognize these situations can occur.

Let me connect with Chris Womack's team tomorrow to assess how we can navigate this shift while being mindful of his schedule constraints as well. I'll confirm by tomorrow our ability to move the session to Tuesday.

Juan,

Thank you so much for connecting. We could do anywhere between 2-4pm ET on Monday; if you could hold that two hour block of time for now, let me reach out now to Chri Womack's team and see what time within that block might be ideal for them. Stand by, BUT we as EPRI will absolutely prep with this team Monday afternoon for 30 minutes in that time even if we can't get the SoCo team on.

As for the room, flagging for [@Parris, Jessica](#) to keep room open for Danly which we will finalizing on Monday.

Will be in touch shortly to confirm a final time within the 2-4pm block for this.

Hi Rebecca and Starlette,

I hope this note finds you both well. Following up on Isabelle's message below, I wanted to kindly check in regarding Deputy Secretary Danly's availability to deliver a keynote address at EPRI's upcoming Summer Seminar.

As previously noted by Secretary Wright, he had indicated that in the event he was unable to attend, Deputy Secretary Danly would be the likely participant. For your convenience, I've reattached the DOE Event Request Form we shared earlier.

Given the timing of the event, we'd greatly appreciate a near-term reply so we can proceed accordingly with planning.

Dear Izzy,

I hope this message finds you well.

I wanted to kindly follow up regarding Secretary Wright's potential attendance at EPRI's Summer Seminar. As mentioned previously, our CEO, Arshad Mansoor, recently met with Secretary Wright at the Oklahoma State University Hamm Institute AI event, where it was confirmed that either Secretary Wright or Deputy Secretary James Danly would be able to attend.

Please find the attached agenda and speaker list again for your reference. We would appreciate it if you could share these materials with the Secretary and let us know as soon as possible when we might expect confirmation, so we can provide additional details and coordinate logistics accordingly.

Additionally, please note that we are resubmitting the event request form that we submitted April 9, 2025 for your consideration.

Thank you very much for your assistance. We look forward to your response.

Regards,  
Rob

**Subject:** [EXTERNAL] RE: EPRI's Summer Seminar

Good afternoon, Rob!

I hope you are having a great Friday! Thanks so much for reaching out and for the invitation for Secretary Wright to join y'all in August at your Summer Seminar. It looks like a great event!

Do you mind completing the attached event request form here with a few more details and sending it back to Ruby and I, copied here.

I've also copied Rebecca to help with Deputy Danly's schedule once he is sworn in.

Thanks so much and have a great weekend!

Izzy

**Subject:** [EXTERNAL] EPRI's Summer Seminar

Dear Izzy,

We are looking forward to hopefully Secretary Wright attending EPRI's Summer Seminar. I understand our CEO Arshad Mansoor met with Secretary Wright at the Oklahoma State University Hamm Institute AI event several weeks ago where Secretary Wright confirmed that either he or Deputy Secretary James Danly will attend.

As you can see from the attached, we've put together a compelling agenda and speaker list. Please share it with the Secretary and do let us know when he can confirm so we can provide more details and logistics.

Thank you!  
Rob Chapman
