

FILE NAME: Exxon (EXX)

DATE: 1970

DOC#: EXX056

DOCUMENT DESCRIPTION: Memo, 2nd Page Only

This is the second incident that has been brought to my attention within several weeks concerning Nicholson's activities with labor unions representing large corporations manufacturing asbestos products.

I discussed this matter with Ed Fenner. To the best of his knowledge Bill Rietze has not done work related to the Esso type of activity. We have no knowledge, however, where the funds for Nicholson's work are being derived.
