Thank you Susan, this EPA policy decision is very positive, helpful, and beneficial for rural and small communities in all the states.

Hi Kaitlynn,

Hope you are well.

Please see attached for EPA's response to a June 9 letter sent by Senator Barrasso and other senators on funding for EPA rural water infrastructure technical assistance. Can you help ensure this gets to the appropriate folks in your office?

A hard copy of this response should be on its way to your office as well.

Please let me know if you have any questions.

Thanks,  
Matt
