Absolutely, the two of you should attend with him.

Just so you know it is closed to the Press and off the record.

Like Jack stated in the letter, he doesn't mind if the Administrator can only attend the reception or just the dinner or both. We are hearing from the CEO's that they are excited to have the Administrator over for the reception/dinner in any timing that works for his schedule.

Is this something we would be able to accompany Administrator Pruitt to?

I will make sure he knows of this.

Ryan/Samantha: Good afternoon, hope that all is well with you two. Jack would like to invite Administrator Pruitt to our Board Dinner next Wednesday evening. Luckily our Board is meeting just across the street from your offices. We would love for the Administrator to attend part or all of the reception and dinner and I've attached the attendees of this year's Board Meeting Dinner. We have great attendance for this meeting as it is the first Washington DC API meeting of the new Administration/Congress.

Please do not hesitate to reach out with any questions.
