Dear Mr.Laipenieks,

This has reference to your telex message which was received by me here today. In fact I was away to Delhi and returned to Ahmedabad only this morning.

Note.

Mr.Promod Chandra did contact our Mr.S.R.Bhandari, General Manager, but prior to this, following your visit and recommendations made, we had already contacted certain Indian firms who are experts in controlling dust problem. In fact, after careful study and survey made by them, we have already entrusted certain jobs to them.

You will please appreciate that the notice about Mr.Promod Chandra's visit was rather too short, thus we regret, we could not avail of it. However, in future, whenever your Representative visits India, we may be informed in advance, so that we can arrange visit and derive best use of such visits.

However, I thank you for the interest you have shown.

With best wishes,

Yours sincerely,
