Your Claim No.: H 52 CC 4187219 RG
Our File No.: 78-3783DC

Dear John:

Thank you for taking the time to discuss the above captioned claim with me on July 31, 1980.

I have discussed the request of attorney, Ted Oot, with my supervisor and our legal department. We feel that it would be in our best interest not to provide Mr. Oot with the information he is requesting concerning the names of the petroleum and chemical companies which supply us with the ingredients for polane and opex until a third party suit is actually filed by him.

We would appreciate your continuing to keep us advised of further developments in claim.

Very truly yours,
