The Conference will be held at Holiday Inn North (No. 1), 4000 Concord Pike (U.S. Route 202), telephone (302) 478-2222, on May 29 and 30, 1974. Attendees should arrange their own room reservations. Holiday Inn will hold 40 rooms. Attendees requesting reservations should mention the Du Pont Insulating Material Conference. Reservations are to be confirmed by May 21. Each attendee will pay for his own room and will

be responsible for his own travel arrangements. Lunch on May 29 will be included in the registration fee.

Some nearby motels are listed here:

We of Haskell Laboratory, the Engineering Service Division, and of the OSHA Coordinating Committee, trust that attendance at this Conference will be a worthwhile experience in meeting the demands that are made on each of us in protecting the health of Du Pont employees at work. We regret having so little time for advance preparation. The people of MICSH Training Division have been very cooperative and enthusiastic in pitching in to help meet these needs on short notice. We look forward to splendid presentations from all concerned.
